Glossary

Amount Billed The full amount billed by your provider to your health plan.

Amount Not Covered The portion of the amount billed that was not covered or eligible for payment under your plan. Examples include charges for services or products that are not covered by your plan, duplicate claims that are not your responsibility, amount related to not getting a prior authorization for service, and any charges submitted that are above the maximum amount your plan pays for out-of-network care.

Amount From Another Source Examples of other sources include: a health funding account, other health insurance, automobile insurance, disability insurance, etc. If you have other insurance, this amount may reflect the amount saved by having other coverage that may not equal what the other carrier paid. *

Amount Paid By Your Health Plan The portion of the charges eligible for benefits minus your copay, deductible, coinsurance, network discount and amount from another source up to the billed amount. *

Amount You Saved This amount includes the Premera Network Discount and What Your Plan Paid.

Benefit Booklet Information If applicable, contains information about why portions of a claim were denied.

Claim Notes When present, these notes provide general information about the claim and may also provide specific explanation of activity that occurred in the Amount Not Covered, Amount From Another Source, and What Your Plan Paid fields. For example, if the claim was denied because your provider submitted the same claim twice, a note would tell you that we denied the claim as a duplicate.

Coinsurance A percentage of covered expenses that you pay after you meet your deductible.

Dates of Service The date(s) you received service.

Deductible Your deductible is the amount you need to pay each year for covered services before your plan starts paying benefits.

Explanation of Benefits (EOB) A claims statement that is sent whenever you use your health plan for services or products from a healthcare provider. It shows how your benefits cover the cost of a service from your provider and what you owe. The EOB is not a bill.

Premera Network Discount The amount you save by using a provider that belongs to a Premera network. Premera negotiates lower rates with its in-network providers to help you save money. *

Service/Product The type of service or product you received from your provider.

Your Plan Discounts & Payments This section details the amounts that you do not need to pay. *

Your Total Responsibility This section details the portion of the bill that is your responsibility to pay. This amount might include your copay, deductible, coinsurance, any amount over the maximum reimbursable charge, or products/services not covered by your plan. If you received payment intended for a provider, it is your responsibility to pay the provider.

** These amounts may not be itemized and may only show in the Totals row of the Claim Detail.*
